

2. Description of Events

PLENARY – Total Conference members meet with whole staff. Plenaries are used to introduce and review the whole conference, and to introduce and review the Inter-Group Event

SMALL STUDY GROUPS - have the task of studying group dynamics from present time experience.

INTER-GROUP EVENT - Its task is to learn from present time experience about relations between groups.

REVIEW AND OUTCOME GROUPS - provide a chance for smaller groups to review their learning and the experiences and roles people have found themselves taking.
